Shri Shivaji College of Education, Amravati

Shri Shivaji College of Education is one of the leading academic and dynamic institutions of Shri Shivaji Education Society, Amravati in Vidarbha region of Maharashtra State. It was established in 1960. We must proudly mention here that Dr. Panjabrao alias Bhausaheb Deshmukh the first Union Agriculture Minister of Independent India, a great visionary, academician and social reformer was the founder president of Shri Shivaji Education Society. The institution has made its mark in the field of education not only through the quality, quantity and diversity of students it has produced but also by the social commitment to educate the masses. Our institution have been a standing example for reaching success and sustaining it. NAAC Re accreditation was completed in 2023 and accredited B++ grade with CGPA 2.89. The magnificent building of our institution stands with well equipped labs, class rooms, play grounds, well computerized library, hostel and having own Research cell which provides guidance to Research Scholars. College is upgraded as College for Teacher Education in 2004 by Ministry of Human Resource Development of India. It has also the study center of various courses of Y.C.M.O.U Nashik. Ultimately all the blessings are of the authorities of Shri Shivaji Education Society, Amravati.

Board of Studies in Education, Sant Gadge Baba Amravati University, Amravati

- The Board of Studies (BOS) is the education board which provides educational leadership by developing the curriculum for the students.
- Board of Studies continually revises and updates its courses, degree programmes and awards to maintain the currency of its teaching and the learning experience.
- Board of Studies in education is responsible for curriculum discussion and approval within a University.
- The Board of Studies Terms of Reference sets out their purpose and role, remit, governance, operation, composition and the responsibilities and expectation of members.

RESEARCH NEBULA
AN INTERNATIONAL REFEREED &
PEER REVIEWED JOURNAL

Research Nebula

An International Refereed Peer Reviewed Journal

- Research Nebula is to be a leading source of scholarly articles and research papers through the promotion of research publication.
- The objective is to provide publishing platform to researchers and scholars from research and academic field.
- One of the important objective is to make research papers and scholarly articles available free of cost to all users without any subscription or login ID
- The next objective of Research Nebula is to create avenues for promotion and publication of research papers about and from socially, economically and culturally weakened sections of the society across the world.
- Research Nebula attempts to make research publication hassle free to ensure sharing of knowledge in due time.
- The journal focuses on Research Articles to make a significant contribution to the theoretical and /or methodological literature on the subject.

Objective of Conference:

The international conference aims to explore recent research and innovations for sustainable development in various fields. It will provide a platform for academicians, researchers and professionals to discuss and share insights on how education, science and technology contribute to a sustainable future.

Call for Papers :

We invite you to participate and submit scholarly and genuine research papers on any sub themes of the following :

In the field
